Date of your colonoscopy: _____

Appointment time: _____

Check-in time: _____

Doctor: _____

Please note, procedure time is subject to change up until the day before your scheduled procedure date.

Please read entire packet **TWO WEEKS** prior to procedure so you can prepare.

About Your Procedure

You are scheduled for an EGD at Vail Valley Surgery Center. An Upper Endoscopy is a test that uses a scope to look inside your esophagus, stomach and first part of the small intestines called the duodenum.

During the test you will swallow a long thin flexible tube called an endoscope. The doctor can see inside your esophagus, stomach, and duodenum by looking at pictures projected on a screen. The endoscope allows the doctor to:

- See abnormalities like inflammation or bleeding
- Take samples of abnormal areas called a biopsy
- Stop bleeding
- Remove polyps

These instructions will help maximize the ease, safety, and success of your preparation.

Important Information for Your Upcoming Procedure

- **Find a designated driver.** You'll need a family member or friend to come with you to your colonoscopy and drive you home. You may not go home alone, by taxi, or bus.
- **If you have an artificial heart valve, pacemaker, internal defibrillator, or a diagnosis of A-FIB,** please consult your cardiologist and our clinical team. A clearance may be required.
- **Have you had a joint replacement within the past 6 months?** Please consult with your surgeon regarding specific instructions.
- **Are you on blood thinners?** If you are taking any anticoagulants, call the doctor who prescribed the medication to get instructions on what to do prior to colonoscopy. **Don't stop taking blood thinners without talking to your doctor.** Please refer to the 7th page of this packet for greater detail.
- **Do you have diabetes or kidney disease?** If you are diabetic or have a history of kidney disease please notify our office, a different prep maybe recommended. These alternative preps include: Clenpiq, Suprep, or Nulytely. Please call (970)363-5376.

EGD Instructions:

- **Do NOT eat solid food after midnight.** You may have small amounts of clear liquids (nothing with red or purple coloring) up until 4 hours prior to your procedure. Examples of clear liquids below.
- **NOTHING by mouth four hours before your procedure.** This means you should not have anything to eat or drink starting four hours before your procedure.
- **You should take your regular medications** with sips of water the day of the procedure unless otherwise instructed by your doctor. Except this, have **NOTHING AT ALL BY MOUTH 4 HOURS BEFORE THE PROCEDURE** or your procedure will need to be **CANCELLED**.
- For your procedure to be performed, you **must** arrange for an adult to meet you at the Surgery Center and either drive you home or accompany you in a taxi or on public transportation. Your ride must be flexible, as procedures can run longer than expected. You cannot be discharged from the Surgery Center until your ride arrives to accompany you home.

If the bowel is not clean when you arrive to the procedure's unit, rather than giving you an incomplete and poor examination, your procedure will need to be rescheduled.

Thank you for your understanding.

COVID-19 Requirements

All patients scheduled for a procedure or surgery will be screened for symptoms of COVID-19. Patients must be free of COVID-19 symptoms on the day of their scheduled surgery or procedure. COVID-19 testing is not required for surgeries or procedures. Patients experiencing ANY variation of baseline, must be free of new/changed symptom for a minimum of 10 days or undergo testing for COVID-19.

We ask that you please call our office if you are experiencing any of the following:

- Any COVID-19 related symptoms within 10 days of your scheduled procedure.
- Awaiting a COVID-19 test result within 10 days of your scheduled procedure.
- Have been hospitalized with COVID-19 within 6 weeks of your scheduled procedure date.

Additionally, all ride/caregivers entering the surgery center must also be free of symptoms of COVID-19, have no positive tests in the previous 10 days and may not have a test pending. All patients will be contacted by the VVSC Pre-Surgical Planning team no earlier than 3 business days prior to their procedure. All patients will be asked about recent COVID-19 test on the day of their scheduled surgery.

Procedure Results

Results from your procedure(s) will be communicated via Colorado Mountain Medical's Patient Portal (Please note: This is **NOT** the same application as the One Medical Passport through the Vail Valley Surgery Center). If you do not have an account, please set this up by visiting the following link: <https://www.cmmhealth.org/patient-resources/patient-portal>

1. Click the button that says, "GO TO PORTAL" and you will be redirected to the portal website.
2. Then, click "I need to sign up" this will take you through the account set up. **An access code will be required, this will be the year of your birth. Ex: 1970**

Important Information Regarding Insurance Benefits

As a courtesy we will call your insurance to verify your potential benefits and to obtain authorization for your upcoming procedure, if needed. Please keep in mind that benefits are not a guarantee of coverage and colonoscopy type can change during the procedure. We cannot change or remove diagnosis codes to get procedures covered under your preventive benefits. We code and bill services based on documentation from your medical record.

There are three types of colonoscopies (Insurance companies may differ in how each procedure is paid):

Preventative/ Average Risk Colonoscopy Screening:

Colorectal cancer screening is recommended at age 45. A colonoscopy is considered screening if you are 45 years old or older; you have not had a colonoscopy within the last 10 years; do not have any gastrointestinal symptoms; or do not have any history of gastrointestinal disease, colon polyps, and /or colon cancer. **Some insurance plans will not cover a screening colonoscopy before the age of 50. If under 50, we recommend contacting your insurance for guidelines. All authorizations and payments of benefits are subject to terms, conditions, limitations, and exclusions of the member's contract at time of service.**

Surveillance/ High Risk Colonoscopy Screening:

Patients with a personal history of colon polyps and/or colon cancer, family history of colon polyps and/or colon cancer, personal history of Crohn's Disease, or Ulcerative colitis fall under this category. You may need to repeat a colonoscopy every 2-5 years for surveillance purposes. This type of procedure may be reimbursed by some insurance carriers, or it may go towards your deductible.

EGDs:

This is a diagnostic procedure and will potentially be applicable to your deductible/copay.

Cost Estimate:

If you would like to get an estimate of possible costs, you may call the numbers below:

- Professional Charges:
 - Colorado Mountain Medical: 970-363-5431
- Facility Charges:
 - Edwards Surgery Center: 970-569-7400
- Anesthesia:
 - Anesthesia Partners of Colorado: 970-315-3858
- Pathology Charges:
 - Paramount pathology Services 970-945-7564
 - Valley View Hospital Patient insurance verification: 970-384-6888

Please Note:

A good bowel prep is essential for an accurate and successful procedure. Following instructions closely will help maximize the ease, safety and success of your preparation. If an incomplete, or poor, bowel prep occurs your doctor may request to repeat your procedure. Your insurance most likely won't cover a second procedure.

If you have any questions regarding scheduling, please call our schedulers at (970)363-5431.

Any questions regarding prep, you can reach our clinical staff at (970) 363-5376.

Online Patient History Instructions

Welcome to the Vail Valley Surgery Center Edwards. We're very pleased that you and your physician have chosen us to care for you. Our center requests that you fill out your medical history online with One Medical Passport **as soon as your procedure has been scheduled**. Once you do this, our Pre-Anesthesia Testing nurse will be able to access the information you entered and help prepare you for your procedure.

Be sure to have the following information available before starting your Medical Passport:

- Your health insurance information.
- The names, addresses and phone numbers of your physicians.
- A list of all medications you are taking, their dosage and frequency.
- A list of surgical procedures you have ever had and their approximate dates.

To begin your online Medical Passport,

- 1) Go to our website: <http://vailvalleysurgerycenter.com>
- 2) Select the "Patients Resources" link on our home page
- 3) Select the "Online Check-In" link
- 4) Select the "One Medical Passport-Edwards" link
- 5) Select "Register" highlighted in green. Complete the registration and medical history screens, select Finish to submit your Medical Passport to our facility. If you need help with this process, please use the Help link on the left side of the screens.

Patients can expect a phone call from a Pre-op nurse the day prior to the procedure to go over any pertinent information.

If you are not able to complete your history online, please note that you will be required to complete paperwork at registration.

How to return to One Medical Passport

If you have already registered you may go directly to www.onemedicalpassport.com

In the lower left corner of the screen ("Already Have a Medical Passport?"), enter the username and password you created when you registered and click 'go'. Select the 'Medical Facility and Physician' option and click 'Next'. Select the State and Medical facility. Your previous medical history will populate the form. If you do not see the option you are looking for, or are having problems, please click the Help link on the left.

About [One Medical Passport](#)

Completing a *One Medical Passport* medical history online is easy. For most patients, filling out the entire questionnaire takes less than 30 minutes. Please fill out the questionnaire accurately, and be assured that all of your information is kept confidential and will be thoroughly reviewed by your medical team. At any time, you can quit filling out the questionnaire and come back and complete the unfinished portion at a more convenient time.

One Medical Passport is a website that allows you to enter your information at any time from anywhere. You can also print out a copy of your medical history after you create it online and keep it with you or with your other health care documents, as well as have access to it online anytime you need it or want to update it

Patient Acknowledgements

- I understand that it is the patient’s responsibility to check with his/her health insurance company regarding plan benefits. Any estimated co-payments, deductibles, or co-insurance will be requested at time of service. Please contact your employer or your insurer directly if you have any questions about your insurance coverage.
- I understand that if I do not have insurance I will be considered self-pay and that payment of the estimated charges, less any applicable self-pay discounts, will be required at time of service.
- I understand that the Vail Valley Surgery Center does not accept international insurance. Payment of the estimated charges will be required at time of service. It is the patient’s responsibility to submit the claim to the insurance for reimbursement.
- I understand that any amounts quoted are only an **estimate**. We are legally bound to charge based on the final operative note, which may result in additional charges. The estimate is provided as a courtesy only.
- GI patients understand that insurance benefits and charges may differ if the visit changes from a routine exam to a medical procedure and that this may occur during the course of the procedure.
- I understand that the estimate provided from the Vail Valley Surgery Center is for the facility fee **only**.
- In addition to the Surgery Center here is a list of other parties who may bill you (please note that this list may not be all inclusive):

<i>Physicians Office</i>	<i>Lab/Imaging</i>

Appendix A: Surprise Billing Disclosure

Surprise Billing -- Know Your Rights

Beginning January 1, 2020, Colorado state law protects you* from “surprise billing,” also known as “balance billing.” These protections apply when:

- You receive covered emergency services, other than ambulance services, from an out-of-network provider in Colorado, and/or
- You unintentionally receive covered services from an out-of-network provider at an in-network facility in Colorado.*

What is surprise/balance billing, and when does it happen?

If you are seen by a provider or use services in a facility or agency that is **not** in your health insurance plan’s provider network, sometimes referred to as “out-of-network,” you may receive a bill for additional costs associated with that care. Out-of-network facilities or agencies often bill you the difference between what your insurer decides is the eligible charge and what the out-of-network provider bills as the total charge. This is called “surprise” or “balance” billing.

When you CANNOT be balance-billed:

Emergency Services

If you are receiving emergency services, the most you can be billed is your plan’s in-network cost-sharing amounts, which are copayments, deductibles, and /or coinsurance. You cannot be billed for any other amount. This includes both the facility where you receive emergency services and any providers that see you for emergency services.

Please note that not every service provided in an emergency department is an emergency service.

Non-Emergency Services at an In-Network Facility by an Out-of-Network Provider

The facility or agency must tell you if you are at an out-of-network location or at an in-network location that is using out of network providers. They must also tell you what types of services that you will be using may be provided by an out-of-network provider.

You have the right to request that in-network providers perform all covered medical services. However, you may have to receive medical services from an out-of-network provider if an in-network provider is not available. In this case, the most you can be billed for **covered** services is your in-network cost-sharing amount which are copayments, deductibles, and/or coinsurance. These providers cannot balance bill you for additional costs.

Additional Protections

- Your insurer will pay out-of-network providers and facilities directly.
- Your insurer must count any amount you pay for emergency services or certain out-of-network services (described above) toward your in-network deductible and out-of-pocket limit.
- Your provider, facility, hospital, or agency must refund any amount you overpay within 60 days of being notified.
- No one, including a provider, hospital, or insurer, can ask you to limit or give up these rights.

If you receive services from an out-of-network provider or facility or agency in any OTHER situation, you may still be balance billed, or you may be responsible for the entire bill. If you

intentionally receive non-emergency services from an out-of-network provider or facility, you may also be balance billed.

If you think you have received a bill for amounts other than your copayments, deductible, and/or coinsurance, please contact the billing department, or the Colorado Division of Insurance at 303-894-7490 or 1-800-930-3745.

* This law does NOT apply to ALL Colorado health plans. It only applies if:

- You have a “**CO-DOI**” on your health insurance ID card, and
- You are receiving care and services provided at a regulated facility in the state of Colorado.

Please contact your health insurance plan at the number on your health insurance ID card or the Colorado Division of Insurance with questions.
